## ***5/4/2020***

**Lake Ramsey Residents,**

**The following message is from Covey Rise Farms regarding the discontinuance of their produce sales at our entrance gate.**

*“We have had to make some decisions on each stop and unfortunately, we have to discontinue the Lake Ramsey stop. I spoke with everyone last week and directed them to O’Keefe’s feed and seed to pick up their bags.*

*We are there on Wednesday’s from 1-3 and Saturday’s from 12-2.*

*We greatly appreciate the support but with restaurants starting to reopen we have to consolidate some of our stops. Please let me know if there is anything else we can do for the residents of Lake Ramsey.”*

**Thank you for supporting this business and we appreciate their efforts for our residents**
