

February 28, 2021

Beginning this week, as early as Monday, work will begin to repair the damaged entrance roadway and surrounding areas. Work will continue for approximately 120 calendar days.

THE ROADWAY WILL REMAIN OPEN AT ALL TIMES, ALTHOUGH SOME OCCASIONAL DELAYS MAY OCCUR.

Also, the delivery of construction materials, school bus traffic, and service vehicles will not be affected by the work.

Your HOA BOD, as well as the general contractor and subcontractors ask that you observe caution and that you obey signage and proceed cautiously while traversing the construction area.

Thank you in advance for your cooperation and curtesy.

Sam Fauntleroy, VP  
BODLRHOA
